INFORMATION FOR JOB APPLICANTS

Thank you for considering the County of Colusa for employment. The following is a brief overview of the application and hiring process used. Any person with a disability who needs accommodation during any phase of the recruitment process is encouraged to contact us in advance.

Because of the large volume of applications received, and because all applicants will be contacted by mail or email regarding the application process, we request that you not call the Human Resources Department for information regarding your place in the process. It may take approximately three to four weeks to complete our review of applications. We are also unable to provide feedback on application packages that have been submitted or on interviews.

- 1. The application process is an indication of your ability to understand and follow written instructions as provided on the application, job flyer, and this information sheet.** Failure to include required information will result in the disqualification of your application. Please read all three documents carefully. Applicants are responsible for ensuring that application packets are complete when submitted.
- 2. Applications for employment are accepted only for open recruitments as they occur.** The job flyers include the specific duties and requirements of each position and the closing date for filing an application. Supplemental questionnaires, résumés, cover letters, letters of recommendation, transcripts, licenses, or certificates may be required in addition to the employment application. The job flyers always state the required documents that makeup the application packet for a recruitment. Failure to submit all required documents by the deadline may disqualify your application packet from further consideration. **The Human Resources Department must receive your application packet by 5:00 p.m. on the closing date of the recruitment – filing date postmarks and faxes will not be accepted.**
- 3. To allow for accurate review and consideration, your application must provide a complete and detailed description of your work experience.** When a certain number of years of experience are specified as a job qualification, the full-time equivalent is required. For example, someone who has four years of half-time experience is considered to have the equivalent to two years of full-time experience. It is to your benefit to be as thorough as possible because this information will be used to determine if you are qualified for the position. A résumé or letters of recommendation may be attached, even if they are not required. *Although you may attach a résumé, it is still necessary to complete the Work Experience portion on the application form. Multiple-page résumés are acceptable.*
- 4. After the closing date, all application packets will be screened for minimum qualifications.** Applicants not meeting the minimum qualifications will be notified that they have been excluded from further consideration. Applicants that meet the minimum qualifications will be notified either that they were selected for testing and/or an interview or that they were not selected for testing and/or an interview.
- 5. Based on the required duties, the Selection Committee will select the top applicants for oral interviews.** The selected applicants will be contacted and an interview will be scheduled. Before making a formal job offer, a reference check will be conducted on the top candidate(s). Applicants will be notified before references and/or current or former employers are contacted. Those interviewed and not selected will be notified.

ADMINISTRATIVE SUPPORT POSITIONS REQUIRING KEYBOARDING CERTIFICATES: Applicants must submit a current, valid keyboarding certificate (less than one year old). A Colusa County employee who is currently in a keyboarding position is not required to submit a certificate to receive credit for the *minimum* typing speed.

Keyboarding speeds must be certified by an employment or other authorized agency. To be valid, certificates must indicate the items listed below. If a certificate does not include one of these items, ask the issuing party to write it in:

- Your name
- Length of test (a five-minute timed test is *required*)
- Date the test was taken
- Address and telephone number of the agency where the test was taken
- Signature of the person administering the test
- Gross words per minute
- Number of errors

Keyboarding tests are administered by private employment agencies for a minimal fee; Colusa County does not administer these tests. Certificates from TYPINGTEST.COM and other Web-based agencies are unacceptable because they typically do not include all of the required information and we are unable to verify the information. Photocopies of certificates are acceptable, provided the copies are clear – erasures or whiteout are not acceptable. Colusa County reserves the right to verify certificates with the issuing agency.

POSITIONS REQUIRING A DEGREE AND/OR LICENSE: For positions requiring an educational degree and/or professional license, the applicant may be required to submit copies of their transcripts and/or required licenses with their application packet. Please refer to the job flyer for specific instructions.

REQUIRED SUPPLEMENTAL FORMS:

Conviction Records Supplemental Form – Required as part of the application packet if indicated on the job flyer, and upon acceptance of the job offer for all other positions if not requested on the job flyer.

California (CA) Official Driver Record –

- H-6 printout is required as part of the application packet for positions requiring a commercial license.
- INF-1125 printout is required upon acceptance of job offer for positions requiring a valid CA driver’s license.

- Extra-help temporary employees are not County employees and consequently are not eligible to apply for vacancies open only to County employees.

- Colusa County is required by federal law to hire only persons authorized to work in the United States. To comply with the Immigration Reform and Control Act of 1986, employees must provide proof of identity and authorization to work. Do not include this confidential documentation in your application package.

- All application materials become the property of Colusa County and, unless specified otherwise within the job flyer, will not be returned to the applicant. Retain originals and submit copies of documents you wish to keep.

- The County of Colusa is responsible for protecting sensitive recruitment data and maintains confidentiality of that data, as required by the Information Practices Act. All information collected through the recruitment process complies with the provisions of that Act.

- Retirees: Colusa County invites all qualified candidates to apply for positions; however pursuant to Government Code Section 21221 (h) and 21224, hiring restrictions may apply to California Public Sector Pension Plan Retirees. Please contact Human Resources for further information.

I, _____ understand that in connection with the application process, the County of Colusa may request information from my past employers and/or references, and I also understand that such investigation may include a review of any criminal records. I certify that I have provided complete and truthful information to the County of Colusa regarding all sources of information concerning my past employment, education, certification and criminal conviction record, as well as any other information requested in my employment application, and have been fully informed that any misrepresentations or material omissions concerning such information will be grounds for denying my application, withdrawing any offer of employment, or immediate discharge. In order to assist the County of Colusa in obtaining documents and information to confirm my background, I hereby consent to the release of information as described below.

I request, authorize and consent to the release of information to the County of Colusa regarding my previous and current employment, and authorize all employers or agents that they may designate, to respond forthrightly to verbal or written inquiries from the County of Colusa regarding my employment record, including but not limited to: positions held; dates of employment; beginning and end pay rates; work performance; discipline records, including any records which were sealed as part of a settlement; reliability and any incidents of dishonesty; insubordination, violence and/or unsafe behavior; harmful or threatening behavior, including information based upon materials in my personnel files.
