Colusa County Groundwater Commission

Annual Statement of Goals and Objectives

For the period of March 1, 2020 – February 28, 2021

Adopted by the Groundwater Commission on February 12, 2020

As per Colusa County Groundwater Commission Bylaws, page 6, Annual Goals: *The Commission shall adopt a statement of goals and objectives annually, not later than March 1. Such statement may be amended no more than once each year.*

Goal 1: Comply with SGMA Regulations and Deadlines

- a. The Groundwater Commission will coordinate with the Colusa Groundwater Authority (CGA) and support their activities to maintain sustainable groundwater conditions in Colusa County.
- b. The Groundwater Commission will coordinate with, provide input to, and support the Colusa Groundwater Authority and other GSAs during development of Groundwater Sustainability Plans for the Colusa and Butte Subbasins.

Goal 2: Public Outreach Program

- a. The Groundwater Commission will support and participate in outreach activities to inform the public and solicit public input about groundwater conditions, and SGMA implementation activities. The Commission will coordinate with and support the Colusa Groundwater Authority's Communication and Engagement Plan, and utilize all outreach options as feasible, including email, social media, mail, newspaper articles, community meetings, partnering with other local water-related organizations, and face-to-face interactions with landowners.
- b. The Groundwater Commission will review Colusa Groundwater Authority Communication and Engagement Plan and identify opportunities to coordinate efforts with the CGA.

Goal 3: Review and Assess County-wide Groundwater Conditions

- a) At one Commission meeting each year, Staff will provide a report on local groundwater levels, based on the County groundwater level monitoring network
- b) The Commission will receive periodic reports on groundwater conditions from the California Department of Water Resources, Northern Region Office

Goal 4: Review and Assess potential Projects in Coordination with the Colusa Groundwater Authority

- a. The Groundwater Commission will assist the CGA by reviewing and making recommendations on proposed projects that could benefit the groundwater basins, including groundwater recharge projects and others.

Goal 4: Remain informed of Legislative Activities

- a. Groundwater Commissioners will remain up to date on Statewide Groundwater legislative activities and report relevant information at Groundwater Commission meetings.
- b. A presentation on current legislative activities will be given to the Groundwater Commission each year by an expert speaker at one regular meeting.
