

twenty-year implementation of the Sustainable Groundwater Management Act (SGMA). This framework can be used by Groundwater Sustainability Agencies (GSAs) to support Groundwater Sustainability Plan (GSP) development and will likely be included as an appendix in the Colusa Subbasin GSP.

Interbasin Coordination meeting summaries, maps of participating basins, and a spreadsheet comparing the different models being used can be found on the Butte County Water and Resource Conservation website here: [Inter-basin Coordination \(buttecounty.net\)](https://www.buttecounty.net/inter-basin-coordination)
