**NEWS BRIEF: Colusa County Public Health Officer Issues Facial Covering Order for Indoor Public Settings Following Increase in Local COVID-19 Cases.**

Effective Tuesday, August 17<sup>th</sup>, all individuals are required to wear facial coverings (masks) within indoor public spaces in Colusa County, per a Public Health Order (Order) issued by Dr. Gregory Burt, MD, Colusa County Health Officer. This Order applies to vaccinated and unvaccinated individuals and visitors alike.

"Colusa County has seen a steady rise in COVID-19 cases, including breakthrough cases in vaccinated individuals," said Dr. Burt. "This Order is necessary to control and reduce the rate of community spread and to reinforce the need for safe interactions."

The Order reads:

***"All individuals shall wear face coverings when indoors in workplaces and public settings regardless of vaccination status, with limited exemptions. It is recommended that businesses make face coverings available to individuals entering the business."***
