**NEWS BRIEF: Patrick Kittle Pleads for Colusa County Residents to Get Vaccinated.**

Speaking from the Intensive Care Unit (ICU) of Sutter Davis Hospital, Colusa County resident Patrick Kittle expressed his regret for not getting vaccinated against COVID-19 (Coronavirus), and pleaded for his Colusa County neighbors to take the virus seriously. Mr. Kittle was admitted to Sutter Davis Hospital in early September after falling ill with COVID-19.

"I would encourage everybody to hedge their bets and protect your life and everything you love and cherish and get vaccinated..." said Mr. Kittle. "That's a very proven insurance policy."

Mr. Kittle was interviewed from his hospital bed by his wife, Shelly Kittle, on his 41<sup>st</sup> day in the hospital.

COVID-19 vaccines are proven to be highly effective at preventing severe illness, hospitalization, and death. All individuals aged 12 and older are eligible to receive the COVID-19 vaccine. To schedule an appointment, residents are encouraged to call Colusa County Public Health at (530) 458-0399 or contact their health care provider.
