

Request For County Board of Supervisors Action

MEETING DATE: November 23, 2021
DEPARTMENT: Board of Supervisors
FROM: Ann Nordyke
SUBJECT: 2020 Supervisorial Redistricting - Meeting #4

Discussion/direction on the Redistricting proposals for County Supervisorial Districts based on 2020 Census data.

Detailed Description/Background of request

Every ten years, local governments use new census data to redraw their district lines to reflect how local populations have changed. Assembly Bill 849 (2019) requires cities and counties to engage communities in the redistrict process by holding public hearings and/or workshops and doing public outreach. Draft Census data was made available to the County on August 13, 2021, with the final adjusting data available on October 30, 2021.

This is the fourth of six public hearings that will be held concerning redistricting. Four draft maps have been prepared by staff and are provided for your consideration.

The census data revealed that Colusa County has a total population of 21,898, an increase of 479 since the 2010 census was conducted. Pursuant to Elections Code section 21500, the Board shall adopt boundaries for all supervisorial districts of the county so that the districts are substantially equal in population as required by the United States Constitution. The general parameter applied is that they be within 5% of the ideal population.

In seeking to distribute the population the following criteria will be used to the extent practical:

- Geographically contiguous districts
- Communities of interest to remain intact
- Cities kept together
- Easily identifiable boundaries
- Encourage compactness

Staff seeks further direction on the redistricting maps and will have the interactive mapping tool available during the meeting for suggested modifications.

It should be noted that there are no additional meetings remaining before the

boundaries must be decided and the metes and bounds descriptions developed for the final map. The Ordinance setting the district boundaries will then be considered by the Board on December 7 and 14.
