

NOTICE OF BOARD OF SUPERVISORS CANNABIS WORKSHOPS RESULTS PRESENTATION

(NOTE: NEW DATE AND TIME)

On **Monday, May 21st at 6:00 pm** the DeNovo Planning Group will present to the Board of Supervisors the results of the county-wide cannabis workshops in the Board Chambers at 546 Jay Street, Suite 108 Colusa, California. During the seven workshops throughout the County public comments, written surveys, and on-line surveys were submitted. The DeNovo presentation will summarize the public input received about potential commercial cannabis operations within the County

As a result of the presentation and public input, the Board of Supervisors may provide direction to staff about changing the current County cannabis (marijuana) regulations. Anyone interested in potential commercial cannabis operations in the County is encouraged to attend and provide input. Further information may be obtained at
